

PREVENTION OF BLINDNESS IN COASTAL REGION

COMMUNITY OUTREACH PROGRAMME

**BY MOMBASA EYE HOSPITAL & LASER
CENTRE, MKOMANI - NYALI**

Chairman's Message

Mombasa Eye Hospital & Laser Centre is the exclusive and one of the largest specialist Eye Hospital in East Africa Region. Having advance eye care facility with the state of the art technology. Our Eye Specialist diagnoses eye conditions and treatment. Your welfare is our number one priority. We see patients at each and every visit to ensure continuity of care and a personal approach.

Our **Charitable Wing** opens every Monday & Thursday serving less fortunate members of our society at an affordable price and even free of cost. Our aim is to give **Quality Eye Care** to all.

Having an advance **Cornea Eye Bank** this is to inform you all that kindly pledge your eyes, Cornea donation forms are available at "**Cornea Eye Bank Foundation**" in conjunction with Cornea Help e. V. Wiesmoor, Germany, at **Mombasa Eye Hospital and Laser Centre**.

"DONATE EYES, SAVE LIFE, LET MY EYES LIVE AFTER I DIE"

Mission Statement

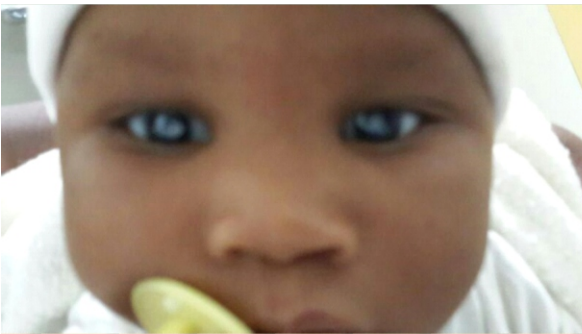

Our Vision

Mombasa Eye Hospital and Laser Centre will strive to provide World class eye care services at our Centre by state of the art technology.

Our Policy:

- ❖ To Offer an advance technology in the field of Opthamology to diagnose and in the treatment of eye ailment.
- ❖ To provide the best possible services to satisfy our patients need
- ❖ To give World class treatment to our patients in Kenya
- ❖ To educate patients and their relatives about the eye problems and treatment.
- ❖ To maintain a very clean, friendly and understanding atmosphere at the Centre at all time.
